Online Test Instructions:

1. The duration of the entrance Exam is 120 minutes.
2. Only one question will be displayed on the computer screen at a time. The candidates should click on **Next Question** > button to go to the next question or on < **Previous Question** to go to the previous question. Both the buttons are provided at the bottom of the screen. Candidate can also click on the question number displayed at the right side of the screen to move back and forth between questions
3. The candidate should click on the correct choice, from the 4 options given. In case, the candidate does not wish to attempt the question, it can be left blank.
4. The timer is available on the TOP RIGHT HAND CORNER of the screen; you are requested to keep a tab on it to ensure that you plan your exam within the allocated time.
5. The candidate can choose to unmark his answer by clicking the **Erase** button provided at the bottom of the screen.
6. The questions can be answered in any order within the given time frame.
7. The list of attempted and un-attempted questions is shown in the right side of the screen. You can click on any of the attempted ones to revise the answers in case you wish to do so.
8. Candidates have the option to bookmark a question in case they want to review it at a later stage by clicking on the **Tag** button available at the bottom of the screen. The Bookmark on a particular question can be removed by clicking on **De-Tag**

9. The question palette at the right of the screen shows the following status of each of the questions numbered:

	You have answered the question
	You have not answered the question and marked for review
	You have answered the question but marked for review
	You have not answered the question

PS: Questions which are attempted and marked for review would be treated as attempted questions only as long as the candidate does not **Erase** the option selected.

10. The answers will be saved whenever the candidate goes to the next question, by clicking on **Next Question** > OR < **Previous Question** button. However, the last question will be saved automatically after answering.
11. If a candidate finishes the paper within the stipulated time, he/she can end the test by clicking the **Preview Submit** button. However, candidates will not be allowed to leave the test hall till the end of the stipulated time.
12. On the completion of the test duration, even if the candidate does not click on an answer or does not click on the **Preview Submit** button, the result will be saved automatically by the computer.
13. Any candidate found in possession of any unauthorised material (specified in Para 7 of the Important Instructions above) or indulging in copying or impersonation or adopting unfair means shall entail disciplinary action including cancellation of candidature.
14. In the event of the Examination being disrupted due to technical issues (such as candidate not able to go to next/previous question, tag/De-tag a question, erase an answered question or on answering a question notices that no. of attempts/un-attempted questions does not change etc.) the candidate should immediately inform the invigilator. The invigilator will help the candidate to re-login to the Examination. This will start the Examination from where it had stopped.
15. Candidate must not bring any pen/pencil/eraser/paper/cardboard/writing board/pencil-box/bag to the examination centre.
16. This admit card will be retained by the centre.
